Song *Down by the Riverside* performed by: *Grandpa Elliot*¹

Opening Reflection *Who Knows?* written by: *Safiyah Fosua*²

One: Who knows what signal, what internal sentry, prodded Rosa to sit when the bus driver said: "Get up and move."

All: Was it her aching feet as some have said?

One: Was it her pounding head that could not wrap itself around the concept of such inequality?

All: Or was it her aching heart, bruised from years of injury compounded with interest?

One: Perhaps, it was just impossible for her to walk any longer with the spiny pebble of injustice in her shoe, in her life, in her spirit.

All: Only God knows the signal, the sentry, the prod required for each of us. Oh God, let there be enough feeling left in me to feel your nudging when it comes. Amen.
