Benediction written by: Rev. Sadekie Lyttle-Forbes³

One: Evil modern times do bring,

All: But a Remnant still remains

One: Of which people, with passion, sing

All: Countless heavenly refrains

One: That depict their restless love,

All: Not new, but yet so fresh,

One: That flutter like a Dove

All: Encaged within their flesh.

One: In a modern, barren land

All: Desiccated by hatred,

One: Their love transforms dry sand

All: Into fertile soil, so sacred.

One: Fertilized by YHWH's presence,

All: The soil nurtures new seeds.

One: In YHWH's benevolent essence,

All: They grow to meet the world's needs.

One: We are that Remnant

All: Consumed with YHWH's love.

One: With a temper so clement,

All: We exude heaven above.

One: In unity that surpasses

All: Race, gender, and age,

One: While resisting social classes,

All: A holy war we wage...

One: A war not fought with guns

All: But with peaceful action and prayer

One: Deprived of love and care...

All: A war fueled by our passion

One: For Yeshua's Kingdom

All: As we assert the just will of Heaven

One: Like a resounding drum.

All: With our swords, the holy writ, drawn,

One: And with YHWH's love as our battle axe,

All: We, the Remnant, march on with the Ruach at our backs!
